What's it all about?

Come out and join us for our First Annual Golf Tournament just before the start of summer! We are raising funds on behalf of several good causes.

The Winston-Salem Professional Fire Fighters Association has a long-standing relationship as fundraiser for the Muscular Dystrophy Association. We have raised over \$100K for the MDA in our boots on street corners. We also volunteer at other fundraising events and MDA Summer Camp.

Many of our members have taken part in activities at Summer Camp through the years. The Camp provides a one-to-one counselor/camper ratio to children who are battling muscular dystrophy. Our goal this year is to raise funds for two campers to attend MDA Camp (\$1600).

The WSPFFA awards the Robert R. Ogle Scholarship to children of firefighters who are seeking higher education. We have awarded over \$20K in scholarships since this program started.

We hope you will join us for a great day of golf, fellowship, fun and good food as we raise funds for these important programs!

See you June 16th!
